Resolution XII: Keeping in view the enormous problems created by the evergrowing bulk of records, the Commission appreciates the lead presently given by the National Archives of India and the Department of Administrative Reforms, Government of India, in the sphere of management of the records of the Union Government and their time bound appraisal. It also notes with satisfaction the steps taken by some State Government for weeding of their non-essential records. The Commission urges all those State Governments and Union Territories which have not yet initiated such a programme on a regular basis to do so urgently with a view to economising in the long run on the upkeep and preservation of their permanent records. The concerned governments may consult, if necessary, the National Archives of India for this purpose.
